

B-001 : No Leave Types with Leave Balance

Bug ID: B-001

Module: Admin (User Management)

Title: Apply page sometimes expectedly fails to load when applying for leave.

Severity: High

Priority: High

Status: Open

Precondition:

User logged in as Admin and has access to 'User Leave page.

Steps to reproduce:

1. Log in as Admin
2. Navigate to Leave page
3. Open Apply tab
4. Observe behaviour

Expected Result:

After clicking the 'Apply' on the 'Leave' page, user/admin navigates to the Apply Leave form. Leave form loads successfully.

Actual result:

After clicking the 'Apply' tab the form fails to load.

Impact:

The user/admin is unable to apply for a leave.

Evidence:

An image showing evidence is given below.
